## ClaimSecure gave eProfile a makeover!

### *Experience the Difference...*

ClaimSecure is always looking for ways to exceed our members' expectations. The latest initiative focuses on enhancing our member eProfile website. [Click here](#) to watch a teaser of the new profile on YouTube. To watch the video in French, please [click here](#).

Some of the highlights include:

- Fresh new look for our Members' Welcome Page
- Customizable User Preferences
- Comprehensive Personal Information pages
- Streamlined eClaim Submission Screens
- Easy to read My Coverage, My Claims and My eCard pages

The eProfile is the easy environmentally friendly way for members to manage their personal health benefits through their computer. Encourage your plan members to enroll in eProfile so they can benefit from many great online services and experience the difference.
